

isafe aim

Our aim is to develop and test culturally appropriate interventions for women experiencing intimate partner violence. *isafe* is a confidential, online, interactive safety decision tool developed for NZ women. In the *isafe study* we are testing whether the tool improves the safety and wellbeing of women in unsafe or abusive relationships.

REGISTER NOW Study Recruitment will close 31 August

We are almost there! *isafe* recruitment is expected to close on 31 August. Please help if you can by asking women who are experiencing abuse in their relationship to have a look at our website: isafe.aut.ac.nz

The People's Report

Glenn Inquiry

The People's Report honours the stories of those who were able to come forward, describe their experience of child abuse and domestic violence and its impact on their lives. It sets out an inside view of what is currently working well, what isn't and people's thoughts and suggestions for an ideal system, and ways of taking action. Go to: <https://glenninquiry.org.nz/>

Ahakoā he uaua, kia kaha, kia toa, kia manawanui

Although there may be difficulties, be strong, be brave, be patient and take heart.
